

SLIX Rescue Stretcher Kit #90165/SLIX 100

P+P Product Code

90165/SLIX 100

Description

A robust, compact and lightweight rescue stretcher. Strong handles around the stretcher allow it to be maneuvered by several rescuers. The stretcher may be hauled vertically or horizontally. The stretcher may be used with the P&P #75780/AB tripod for confined space rescue. Accessories including a spinal splint are available.

Material Specification

Smooth, lightweight, and flexible material allows easy sliding and there is no webbing passing under stretcher to damage.

Attachment Points

Horizontal and vertical hauling straps and carry handles.

Size / Length /

Width 915mm Length 2300mm

Weights /

Max recommended user weight 400Kg
